A determination of *Meets Requirements* means that the district is in compliance in meeting the state targets. This may include correcting any identified non-compliance within one year of notification to the district. The district is not subject to any enforcement action by the state.

Additional District Information

The KIPDA district determination has improved to *Meets Requirements* for FFY 2012.

Indicators 1, 7 and 8 are compliance indicators. The target is set by the Office of Special Education Programs (OSEP). The identified noncompliance for all indicators was corrected before any findings were issued.

Indicators 2, 3, 4, 5 and 6 are performance indicators. These are a measure of the districts overall performance in several key areas. The target was set by the state during the development of the State Performance Plan (SPP).

For Indicator 3, there were a total of 2033 children with two data points in the Kentucky Early Childhood Data System (KEDS) statewide. A total of 591 were from the KIPDA district.

For Indicator 4, there were a total of 5352 family surveys distributed statewide. A total of 1330 surveys were sent to families in the KIPDA district. Of these, 416 were returned for a return rate of 31.27%.
